The meeting was called to order by President Jones at 8:03 p.m. on November 2, 2005.

The Board was going to talk about changes in the policy Handbook, but it was tabled until the next call because so many members were absent.

Helen reminded everyone to send in their lobbyist application to Muff for registration if they were interested in doing that this session.

Helen asked if John had received the final outcomes on the ag land valuation study. He hadn't, but felt comfortable with what he had seen.

Helen asked John if he had any updates for the members. He just wanted them to know he would be meeting with the Governor this afternoon on the department budget. He also talked about the forest supervisor's meeting today to discuss grazing acres versus allotments. He felt the Joint Ag Committee meetings went well last week.

Jack will be moving to the ranch in Baggs around November 20 for the winter. When he gets a phone, etc. he will notify the members.

Helen reminded everyone of the next conference call on November 16.

There being no further business, meeting was adjourned at 7:05 p.m.

Respectfully submitted,

---

Helen Jones, President
